*We are rapidly waking up to the massive scam that promotes global warming/climate change as 'doomsday scenario par excellence'.*

In this film (see below) is a succinct and powerfully presented series of exposes by scientists and climatologists coming **clean about the real truth behind the global warming invention.**

Video: Austrian MPs Leave the Chamber While Zelensky Delivers His Speech

Highly recommended viewing for all in need of material that can be shared with others needing to be brought up to speed on this vital issue.

Climate Change/Global Warming is the scare tool being used to completely capsize the world economy, destroy agriculture and act as a supposed critical 'health hazard' to the global population.

The World Health Organisation has the audacity to claim that it is in a position to also rule on climate issues. So its 'Pandemic Treaty', if approved by The World Health Assembly this May 2024, looks like being the basis for placing both climate change and world health under its United Nations/World Economic Foundation backed despotic mantle.

Let us be in no doubt that the depopulation agenda is at the forefront of these maneuvers.

Covid, Climate and Health Care are now all weaponised by the elite Big Finance cult that pulls the strings of puppet political chiefs, non governmental organisations (NGO's) and all operatives that toe the line of the top down status quo.

I would wish that those speaking on this film had had the courage to raise their voices before their retirement. This is where true whistleblowers really come into their own. It takes courage.
